

GarvKarmAsha Foundation

Proudly we Care...

PRESS RELEASE

Date - 06th July-2023

GARVKARMASHA FOUNDATION, non-governmental organization dedicated to improving healthcare access and promoting well-being, is pleased to announce its first-ever Health Camp at CHC Nuh, District Nuh Haryana . The event was inaugurated by Dr. Sonal Krishnan, Director, Radiology department Medanta Hospital and Vikas Yadav Director Garvkarmasha Foundation on 06.07.2023 at 9:00 A.M and the camp was held from 9:00 A.M. till 1:00 P.M. on 06 July 2023. Large number of people availed the benefit of this camp and the event was a great success and Garvkarmasha Foundation aims to provide essential healthcare services and create awareness about preventive measures within the community.

We are honoured to have a team of experienced doctors, nurses, and healthcare professionals volunteering their time and expertise for this event. Their dedication and commitment to serving the community are instrumental in making this Health Camp a reality.

On this occasion Dr Riju Agarwal Co-founder of NGO said we remains committed to making healthcare accessible and affordable to all individuals, irrespective of their socio-economic backgrounds. We strongly believe that initiatives like these not only address immediate healthcare needs but also empower individuals to take charge of their well-being and lead healthier lives.

Gulshan Gupta Co-founder of NGO thanked the Medanta Hospital and Health Administration District Nuh especially Dr Sandeep Rajput SMO, nuh for their unconditional support to make this camp a grand success.
